PRESIDENT MAURSTAD: Senator Smith.

SENATOR SMITH: Mr. President, I move the advancement of LB 734 to E & R for engrossing.

PRESIDENT MAURSTAD: The question is the advancement of LB 734. Those in favor say aye. Those opposed nay. The bill is advanced.

CLERK: LB 131. I have no E & R. Senator Tyson has the first amendment. Senator this is AM0358 I have in front of me. (AM0358, Legislative Journal pages 752 and 1382.)

PRESIDENT MAURSTAD: Senator Tyson, on your amendment to LB 131.

SENATOR TYSON: Thank you, Mr. President and members of the body. This amendment was to be considered previously at the time it was on consent calendar General File. At that time, Senator Chambers asked me to hold that portion of it. I removed it for...so he would have a chance to go over it. There is no problem with it. Essentially, what it does, it puts a requirement that anyone applying for an explosives license be fingerprinted. In the green copy of the bill, it would require only an NCIC check. This amendment was put in at the behest of Colonel Nesbitt of the State Patrol to bring 28-1229 into line with federal requirements. And I ask for your approval of the amendment.

PRESIDENT MAURSTAD: Thank you, Senator Tyson. There being no lights, you're recognized to close. Senator Tyson, would you like to close? Senator Tyson waives closing. The question before us is the adoption of the Tyson amendment to LB 131. Those in favor vote aye, those opposed nay. Please record.

CLERK: 25 ayes, 0 nays, Mr. President, on adoption of Senator
